## Rolling Rectangular Prisms

## **Student Directions:**

- 1. Draw a rectangular prism.
- 2. Roll a die two times to find the dimensions of the base of the rectangular prism.
- 3. Label the dimensions on your drawing.
- 4. Calculate the area of the base.
- 5. Roll the die one more time to determine the number of layers.
- 6. Label the dimension on your drawing.
- 4. Calculate the volume of the rectangular prism. Show your work.
- 5. Repeat steps 1-4 three times.

## Grade 5 Unit 1 Georgia's K-12 Mathematics Standards

| Shape Drawing | Area of<br>Base | Number of<br>Layers of<br>the Base | Volume in<br>Cubic Units |
|---------------|-----------------|------------------------------------|--------------------------|
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
|               |                 |                                    |                          |
